Curriculum News - Summer Term 2017 - Year 1

Dear Parents/Carers,

We thought that you may be interested to learn about some of the varied and interesting worked planned for the Summer Term in Year 1.

English – The areas covered this term will be fairy stories, information texts, recounts, fantasy stories and letter writing. We also continue with our phonics programme 'Letters and Sounds'.

Maths - The main areas studied during the term will be; time, multiplication and division, 3D shape and measure, recognition of all coins and notes, numbers and fractions and addition and subtraction.

Science - The main area of study this term will be plants, alongside our seasons topic that runs throughout the year.

ICT - The children will be consolidating areas they have covered over the year as well as covering units of work in the new ICT scheme 'we are collectors'. Children will be using the internet to search for images.

Cross Curricular Themed Topic- The theme for the term is 'Explorers'. We will be looking at the life of Captain James Cook and his ship, HMS Endeavour. We will also design, produce and test our own flag.

Music – The children will gain knowledge in musical composition, playing a variety of instruments as well as enjoying singing together. The musical elements that they will mainly be focusing upon is pulse and rhythm.

RE – The two areas the children will be learning about this term are 'belonging in Sikhism' and 'special people and leaders'.

PE -This term the children will be developing their dance, games and athletic skills. Please could children bring in their P.E. kit in school on a Monday and leave it all week.

PSHE – The topics studied this term are Relationships and Changes.

If you would like to discuss further any items arising please do not hesitate to contact us.

Thanks
Miss Hetherington and Miss Kinlan
(Year 1 Class Teachers)
