10th February 2017

Dear Parents,

I do hope you all have a relaxing half term break. We return to school on Monday the 20th of February.

Themed Lunch

The themed lunch was as popular as ever. Thanks go to the kitchen staff who always put in so much extra effort with our themed lunches.

Parental consultations

The parental consultations took place this week.
I would like to thank all parents/ carers who completed the questionnaires as they do form an important part of our school improvement process.

Pupil Premium

Forms were given out at consultation for Pupil Premium. The school receives additional funding for this element of school funding and parents can then access reduced costs of trips both in school and residential, free items of uniform etc. Do complete the forms and return them to school as soon as possible. Thank you for your cooperation.

School swimming

A group of our Y5/6 children attended a swimming gala on Tuesday at Thornaby Gala, they all did very well in the competition and represented the school excellently.

Friends of the Glebe Meeting

The next Friends of the Glebe meeting will be held on Tuesday the 6th of March. We will be planning a bingo night on March the 23rd before Easter. Do keep the date free and bring the family.

Collecting children after school

Reminder if your child is to be picked up by anyone not on the contact list, could you please let the school know in advance by putting a note in your child's book bag for the attention of their teacher or informing the school office. Thank you for your assistance.

Lost Property

We are accumulating a lot of lost property in school.

We are unable to allocate them to their owners as they are unnamed. Please can I request that parents/ carers name all items of clothing. Thank you for your cooperation.

The lost property from Christmas will be in the small hall every afternoon after school after half term. Do come along and claim any property.

Attendance WE 3.2.17

Class	Percentage	Class	Percentage	
RK	95.2%	3M	95.2%	
RW	94.6%	3B	96.4%	
1H	100%	4L	98.5%	
1K	100%	4Y	93.8%
