'20 things to do before you leave Foundation Stage'

Dear Parents/Carers,

Some of you may be aware of the National Trust's campaign, '50 Things to do before you're 11 $\frac{3}{4}$ '. At The Glebe Primary School, we have decided to run a similar campaign for our foundation stage children: '20 things to do before you leave Foundation Stage', to allow our children to have a broad range of learning experiences within their time at school.

Once the children reach Key Stage 1, they will then embark on the campaign of '50 things to do before you leave The Glebe Primary School' which they will continue on with until the end of Year 6. We have attached a copy of both of our school campaigns so that you can see the fun activities we will be carrying out.

Every class will be documenting the activities in their own class book, which they will add to every year, as they go up through the school. Some teachers may choose to set some of these tasks for homework.

If you would be interested in supporting with any of these activities, please get in touch with your child's class teacher.

Kind regards,
Miss. Robinson and Mrs. Lewis
