

FAB week

'All Different, All Equal'

Article 8: The right to an identity.

This year's FAB week theme allowed us to think about how we are all different, but underneath all the layers we are actually all the same.

Each class completed work to celebrate their identities and explored what makes us unique.

The Year 2 children would like to thank the parents who came in to join us with our FAB activities. We hope that you enjoyed them as much as we did.

Children and staff wore odd socks in order to support this year's national anti-bullying campaign.

November 2017

Outright Campaign

Article 10: If you live in a different country than your parents do, you have the right to be together in the same place.

Article 22: The right to protection and help if you are a refugee. Refugees have the right to all the rights too.

Our RRSA champions have been thinking about these articles. They have thought about questions that they would ask a refugee child, decided what they would take with them if they were forced to flee their home and discussed how the right to be together should include other family members as well as parents.

The champions have encouraged other children to design posters for the campaign, and also planned an assembly to tell the whole school about their work which will take place next month.

Fairtrade Cookery

Fairtrade Cookery sessions for children and their adults started this month. They have used Fairtrade ingredients to make Tiramisu and a salad.

Lily in Year 3 said 'I loved sharing my Tiramisu with my mum, dad and grandma.'

6D's Class Assembly

The children in 6D linked their class assembly to Children in Need. They reminded us about the reasons why children might be in need, and focused on children in our country as well as globally.

They thought about how their assembly linked to Global Goals as well as the UNCRC and enjoyed sharing this with parents/carers, adults in school and the other children. Fabulous job!
