Safeguarding Policy

Definitions:

In legislation and guidance, "safeguarding" describes the responsibilities of individuals and agencies to both protect and promote the welfare of children. 'Safeguarding Children: the Third Joint Chief Inspectors' Report on Arrangements to Safeguard Children 2008 states:

"Safeguarding children goes much wider than simply protecting them from neglect and abuse, as 'every child matters' and the staying safe: action plan' emphasise. It is also about keeping them safe from accidents, crime and bullying and actively promoting their welfare in a healthy and safe environment."

The Ofsted **definition** of safeguarding can be summarised as follows:-

- Protecting children and young people from maltreatment
- Preventing the impairment of children and young peoples' health or development.
- Ensuring that children and young people are growing up in circumstances consistent with the provision of safe and effective care.
- Enabling children and young people to have optimum life chances and to enter adulthood successfully.

Safeguarding **outcomes** for children and young people are;

- Children and young people are safe: the effectiveness of services in taking reasonable steps to ensure that children and young people **are safe**.
- Children and young people feel safe: the effectiveness of services in taking reasonable steps to ensure that children and young people **feel safe**.

Safeguarding is not just about protecting children from deliberate harm. It includes issues such as:

- Children health and safety
- Bullying
- Racist abuse
- Harassment and discrimination
- Use of physical intervention
- Meeting the needs of children with medical conditions
- Providing first aid

- Drug and substance misuse
- Education visits
- Intimate care
- ICT and E-safety

Delivery Mechanisms for Safeguarding.

These mechanisms fall into four broad areas:-

1. Safer recruitment and the vetting of people who have contact with children
2. Safeguarding children with reference to their well-being, health and safety
3. Procedures for Child Protection including staff and governor training
4. Procedures for managing safeguarding allegations about staff or volunteers.

Responsibility for ensuring effective safeguarding lies with the Head teacher and Governors. However, safeguarding students must be everybody's responsibility. Good safeguarding practice has to be built into routine procedures and practice throughout the school.

1 SAFER RECRUITMENT AND THE VETTING OF PEOPLE WHO HAVE CONTACT WITH CHILDREN

Checks are carried out using the Disclosure and Barring Service (DBS)
A Single Central Record is in place. This lists all the identity checks carried out on all colleagues.

All teachers have been checked against List 99

All staff employed since 2002, who have regular contact with children, have been CRB/DBS checked.

All staff employed since 2006, whether or not they have regular contact with children have been CRB/DBS checked.

Supply teachers are CRB/DBS checked.

Volunteers who are working in sole contact with children e.g. (Sports coaches) have CRB/DBS in place.

All teachers have Qualified Teacher Status (QTS) unless the market has been tested and no qualified teacher could be found e.g. Dance.

Permission to work in the UK is checked.

Safer Recruitment

The Head teacher, Deputy Head Teacher and Chair of Governors have completed the Children's Workforce Development Council (CWDC) Safer Recruitment module.

Job descriptions and person specifications are written for all posts.

Job adverts refer to rigorous safeguarding procedures in the school.

Interviews include questions referring to Safeguarding procedures. Two written references are obtained before a new colleague is appointed. At least three people sit on every interview panel for teaching and for all support staff posts.

Reference request forms have been amended to ensure that they follow Department for Children, Schools and Families (DCSF) recommendations

(Appendix I).

2 **SAFEGUARDING CHILDREN WITH REFERENCE TO THEIR WELL-BEING, HEALTH AND SAFETY**

Safeguarding children is at the core of our school. All children are known as individuals by their class teacher as well as the Head teacher. This means that there can be early identification of problems and support for children who are vulnerable or at risk.

The ethos which underpins pastoral care and the procedures in place to deliver this are described in the School Policies. The following Policies also support the Safeguarding Policy:

- Behaviour Policy
- Anti Bullying Policy
- Single Equality
- Health and Safety, Administration of Medicines
- Child Protection
- Information Security Policy
- Positive Handling Policy

Special Educational Needs and Disabilities

An SEND Policy is in place. The SENDCO monitors the well being and progress of all children with Statements of Special Educational Needs, children on School Action and School Action Plus. This is done via partnerships with parents and outside agencies e.g. education psychologist, hearing impaired service, etc.

Personal, Social and Health Education (PSHE)

All children have a program of PSHE and Citizenship activities. The PSHE program follows the SEAL (Social Emotional and Attitude to Learning) modules and include anti bullying, changes, relationships, going for goals, getting on falling out, new beginnings. The program also covers sex and relationships education from Reception to Year 6 and Drugs Education.

Health and Safety

The school has a comprehensive Health and Safety Policy.

The Site Manager works closely with the Health and Safety Unit of Stockton Borough Council.

Risk Assessments for all areas of the school and all activities are in place.

Visitors on site are asked to sign in and wear a visitor badge. The Site Manager checks all contractors who work on site.

There is a comprehensive procedure for school visits. All proposals for visits are checked and signed in by the School Administrator and authorised by the Head teacher (see APPENDIX II). The School Administrator works closely with the Visits Co-ordinator of Stockton Borough Council when organizing residential visits.

E-safety (Internet)

The school has an E-safety policy. Children are allowed to use the Internet in school as the appropriate checks and firewalls are in place. All staff, parents, and children have to sign an Internet Use agreement before they can access the internet in school.

Inappropriate use of the internet, email or messaging systems is dealt with by school behaviour procedures.

3. CHILD PROTECTION

The Head Teacher (Mrs G Repton) and the Deputy Head Teacher (Mrs J Lewis) are the Designated Senior Persons for Child Protection.

The Designated Senior Persons have undertaken the Integrated Services Training provided by the Local Authority on child protection issues. All concerns about any child protection issues are referred to the Designated Senior Persons who liaise with Social Services, via the Children's Hub, as and when, necessary. The Child Protection Policy describes responsibilities and procedures for dealing with child protection matters.

4. PROCEDURES FOR MANAGING SAFEGUARDING ALLEGATIONS ABOUT STAFF OR VOLUNTEERS (CODE OF PRACTICE FOR ALL STAFF WORKING IN AN EDUCATION SETTING)

A copy of Staff Code of Conduct is available in the Policies file located in the Administrator's office and reviewed every two years. A copy of the Code of Conduct is included in the Staff Handbook.

Any safeguarding allegations about staff or volunteers will be handled by the Head teacher or, in her absence, the Deputy Head teacher. Procedures issued by Stockton Borough Council will be followed in the event of a child protection or disciplinary issue.

The Role of Governors

The Governing Body should ensure that:

- The school has a child protection policy and procedures in place that are in accordance with local authority guidance and locally agreed inter-agency procedures, and that the policy is made available to parents on request;

Special Educational Needs

At The Glebe Primary School we differentiate the curriculum in order to meet individual needs. All children have an entitlement to a broad and balanced curriculum, which is differentiated to enable children to:

- Understand the relevance and purpose of learning activities;
- Experience levels of understanding and rates of progress that bring feelings of success and achievement.

More Able

In our school we aim to provide a curriculum that is appropriate to the needs and abilities of all our children. We plan our teaching and learning in such a way that we enable each child to reach for the highest level of personal achievement. This policy helps up to ensure that we recognise and support the needs of those children in our school who have been identified as 'more able' according to national guidelines.

Equal Opportunities

We do not discriminate against anyone, be they staff or pupil, on the grounds of their sex, race, colour, religion, nationality, ethnic or national origins. This is in line with the 1976 Race Relations Act and covers both direct and indirect discrimination.
