Crucial Crew

Earlier this week, our Y6 children attended a fantastic Crucial Crew event, designed to raise awareness of the dangers at sea (RNLI), electrical substations and pylons, fire safety advice, online safety and fireworks safety.

Reviews by the children (Glebeadvisor):

Ellie, 6S

"I liked how it made everybody understand the importance of safety and made me want to tell my parents about everything we had learnt!"

Charlie, 6M

"I liked when we went into the police area and learnt about the different ages for online gaming and apps, also I really enjoyed the pros and cons of different apps that I use, I found it really helpful!"

Ryan, 6S

"It was so fun! I learnt what to do if there was ever a fire, you just have to put the back of your hand on the door handle to check what's on the other side, and it was so cool!"

Christy, 6S

"I really liked meeting Billy who was being silly in his bedroom when there was meant to be a fire happening. He tried to put the fire out with his water pistol it was really funny. RNLI was really interesting especially when Kieran put all the safety gear on!"

Well done to 3H for
for best attendance!!

Year 4 WOW Day

Year 4 enjoyed a beach day as part of their English topic last Friday. The children designed rocks, created beach artwork based on a portrait and enjoyed an indoor beach experience. They topped the day off with a beach party and rocket lollies. Thank you to all the parents who helped with the beach outfits with such short notice. It was a fabulous day.

SIRF Carnival

During the summer break, a number of children from Reception to year 6 took part in the Stockton Carnival. The children dressed up in the costumes that they had made and danced along the high street as part of the parade. It was a great day and the children did a fantastic job representing our school.

Thank you to the adults who came along to help. We hope you enjoyed it too!

ALDI KIT FOR SCHOOLS!

You will all be aware of the Aldi sports stickers that we are collecting in school. We have a HUGE poster to fill, and as you can see below, we have made an amazing start!!

It would be an amazing achievement if we could reach our target and fill the poster.

Please ask your friends, family and colleagues to donate their stickers if they shop at Aldi—one sticker for every £30 spent in-store (apparently you have to ask for them!).

Thank you for your support!

Show Racism the Red Card

On Thursday, UKS2 took part in a workshop and fitness fun session delivered by 'Show Racism the Red Card'. They explored stereotypes, appropriate terminology, the consequences of racism and asked sensible questions. Richard Offiong (ex Newcastle FC player) delivered a fun fitness session.

Well done everyone!

Cross Country Event

On Monday, children from Year 3 - 6 took part in a cross country event at Grangefield Academy. All children had a great attitude, showed resilience and displayed great sportsmanship. Well done to all children who took part!
