Bikes and Scooters in the Playgrounds

Please ensure that your children do not ride their bikes or scooters within the school premises as this poses a health and safety risk.

Double Parking around School

Unfortunately, parking continues to be a big problem around school with several parents parking inconsiderately and often illegally.

Please do not double park (i.e. if there is a car on one side of the road, do not park opposite) as the roads are not wide enough for other vehicles, especially emergency service vehicles to pass.

The traffic enforcement team have promised us a visit in the near future, therefore anyone parking illegally will be fined.

* Example of double parking
