Welcome to this weeks Newsletter.

A big thank you to everyone who brought items in for the school fair. Don't forget we are accepting donations next week and as a thank you it will be non uniform day again next Friday.

It was lovely to see lots of parents in school for the book drop ins this week. Classes that were unable to have book drop ins this week will have dates arranged before the end of term.

As the weather improves and it becomes sunny please remember to apply sun cream to children before they come into school on sunny days.

As we are coming towards the end of term you might be thinking about uniform for next term, please see the full list of our uniform included in this weeks newsletter on page 5. Can we please remind parents that jewellery should not be worn in school due to health and safety risks. Watches and stud ear rings are the only items of jewellery allowed.

For excellent engagement during our workshop with a local author.

6S

Jacob McGlade

For excellent participation and enthusiasm during our radio presenter session.

6C

Reggie Cadwallen-

For asking great questions about radio presenting and creating a super voiceover.

ONLINE SCHOOL MEAL SYSTEM

The new online school lunch ordering system starts on Monday. The menu in school hasn't changed but the new system allows parents to view the menu choices for each day until the end of term. Lots of parents have now registered and ordered lunches for children.

Following feedback from parents we have been in discussions with Stockton Borough Council who provide our school meals and the menu choices have been amended slightly to provide more flexibility when ordering fillings for jacket potatoes.

Commonly asked questions:

Question: Can my child have a choice of vegetables?

Answer: Main meals ordered on the app. Children always have their choice of vegetables at the counter including beans or hoops.

Question: Does my child have to have custard with their pudding?

Answer: No children can choose to have custard if they wish.

Question: I have ordered meals, why are they are not booked on the system?

Answer: When meals are added to your basket you must go to checkout for meals to be ordered.

Question: Why is my code not working?

Answer: Only use numbers 0 to 9 and letters A to F

Question: Why can't I see any meal choices for my child?

Answer: Please check the allergies section. A gluten free menu for example can be added to your child's account. Is your child registered for school meals.

School Uniform

It is school policy for the children to wear school uniform from Nursery to Year 6. Our school uniform consists of:

- Red sweat shirt, jumper or cardigan
- White or red polo shirt
- Grey or black trousers or skirt
- Black school shoes

PE kit:

- White T-shirt
- Black or dark blue shorts
- Black or dark blue track suit trousers allowed for outdoor PE
- Black or dark blue hoody for outdoor PE
- Trainers or canvas style black/white PE shoes

School uniform can be purchased in most supermarkets and clothes stores. For uniform with our logo, this can be purchased from local suppliers Rawcliffes or Elizabeth Embroidery, both located in Stockton.

Well Done!

We would like to share with you how proud we are of a group of our year 5/6 students.

Last Sunday, their help proved invaluable in a medical emergency. Unfortunately, a gentleman took a nasty fall at Gravel Hole Quarry in Norton. His son was with him at the time but our children, who were playing in the area, alerted other adults that the accident had happened. They took care of the dogs belonging to those who went to help the gentleman and kept a look out for the ambulance. Most importantly, the children were instrumental in getting the paramedics to the scene quickly when they arrived, being able to show them the quickest way through the woods to the scene of the accident.

After the Paramedics and Mountain Rescue Team had stabilised the injured gentleman and managed to get him out of the Quarry, they again helped by carrying the equipment back up to the ambulance.

The Ambulance team were extremely impressed with these young people, as were the members of the public who had waited with the casualty for medical help to arrive. The Gentleman himself suffered a broken nose, severe bruising and concussion but is recovering at home after a short stay in hospital.

He too wants to say how very grateful he is to all those involved.

A huge well done to these children

Raising Aspirations

This week we were very lucky to have lots of visitors across school to talk to us about their careers.

Our 'Raising Aspirations' week followed an arts/literature theme where professionals within this industry spoke about their everyday life, their skill set and even delivered fantastic workshops to give us an insight into what they do.

All the year groups asked fantastic questions and were so polite and respectful to our visitors!

We had so many workshops, from radio presenting, authors, illustrators, interior designers, digital marketing and library work.

Keep your eyes peeled in next week's newsletter for lots of pictures and information on what we got up to this week!

School Attendance

Week commencing 13th June 2022

Summer Fair

Wednesday 29th June 2022

We invite you to come along to our summer fair, starting at 3.30p.m., on Wednesday 29th June. Entry to the fair is free and we would be grateful if you could bring coins instead of notes as we quickly run out of change! Weather permitting, we will hold the fair in the KS2 playground and refreshments will be available in the large hall. **Please note:** There will not be any indoor access for pushchairs but we will have a location where you can park them.

Stalls will include:

- Raffle
- Tombolas
- Cakes
- Refreshments and hot dogs
- Nail painting
- Fun games and activities

Donations are really appreciated. As an incentive the following Fridays can be a non-uniform day to say thank you for bringing donations in!		
Week beginning 19 th June	TOYS AND BOOKS We would appreciate good quality, second hand books and toys. RAFFLE/TOMBOLA PRIZES e.g. Wine, chocolates, sweets, unwanted-	As a thank you come in non-uniform on Friday 24 th June
Donations of cakes would also be very welcome on the day of the fair.		

Please remember to park responsibly around the school, in order to minimise impact on our residents.

We look forward to welcoming you to the Fair!

The Glebe Primary School

Kirkleatham Hall Museum

On Tuesday, the children in Year 3 went on a trip to Kirkleatham Hall Museum. The children went on a micro-safari in the woodland where they explored different habitats and used a range of scientific equipment to identify a selection of mini beasts. They then met Mr Darwin where they explored adaptation and evolution. The children had a great day and all behaved superbly.

Well done Year 3!
