World Book Day

We will be celebrating World Book Day in school on Friday 6th March – this date differs from the National World Book day due to a class visit. This year our book focus will be linked to ‘The enchanted planet’ and our continued work on Rights Respecting Schools. Each class text will focus on how animals may be impacted by environmental issues and climate change. We invite children to dress up on this day in any costume with an animal theme: this might include dressing as a favourite animal or wearing an animal-related item of clothing. Learning across the week will focus on a class text and children will be involved in an ‘animal carnival’ on the day itself. We are already looking forward to it!

Clothing

There are so many items of “lost property” in school that cannot be returned because there are no names on. Please spend some time during half term to label any items that your child could misplace. In particular - cardigans, jumpers and coats.
